"When you 'gotta dance', this club in SoHo is one of the 'best world music venues.'"

WHERE MAGAZINE

"SOB's has been Downtown's premier world-music destination for more than 25 years. If it's being played somewhere in the world, chances are you will find it here! The bar, restaurant, and listening area- with room to dance- are modern and casual, and the atmosphere is suitably cosmopolitan: upscale, hip and fun all at the same time."
